## News this week

Hi Everyone,

**Communication and Stakeholders Group  
Working Group: First meeting 18:00, Tuesday  
26th May 2021**

We are planning a multimedia campaign to procure the Hulme Hippodrome and are looking for a wide range of creatives to join this effort over the next couple of years (but there is no need to commit to that time frame).

If you are interested in joining us, we will be hosting two introductory meetings: one online on May 26th, and another **in person** the following week (date, time and location, details to follow soon).

For more information see the google form here, fill it in and return it to us if you wish to come along: <https://forms.gle/PnSSv5Q8mCciEKQn6>

Best wishes, Paul Baker, Campaign Chair
